Department of Energy and Environment

Electronics Recycling Programs

As of January 1, 2018, covered electronics are banned from the trash. Manufacturers of these electronics (televisions, computers, and [related equipment](#)) are required to collect and recycle or reuse electronic waste. Below are some of the electronics recycling options that are part of the District's electronics stewardship program, [eCYCLE DC](#).

Note that some manufacturer stewardship programs may charge a fee or have limitations on accepted products.

eCYCLE Events

- District residents, small businesses and small nonprofits can recycle covered electronic equipment for free at eCYCLE DC events hosted by manufacturer groups. Event times and locations are posted here: <https://doee.dc.gov/ecycle>.

Transfer Station (UPDATED MAY 2023)

- The Department of Public Works runs a free residential electronics recycling program. After June 3, 2023, DPW's collection of electronics for recycling [will be relocated](#) from Benning Road Transfer Station to events at RFK Stadium Lot 3, 2400 E Capitol St NE. Events will take place on from 7 am – 2 pm on one Thursday and one Saturday of every month starting in July.
